## Bay-To-Bay Bike Ride

### Why Ride?

Here's your opportunity to help save kids' lives by raising money for Kiwanis Doernbecher Children's Cancer Program

Doernbecher Children's Hospital has given hope and loving care to many critically ill children for the past seven decades. Regardless of their family's income, sick children are treated at Doernbecher in Portland, Oregon. However, at Doernbecher, health care providers don't only treat sick kids. Additionally, with its ties to OHSU, Doernbecher is an innovative research center where promising pediatric specialists are trained. By taking part in the Bay-to-Bay Bike Ride, you will help Doernbecher research the causes of children's cancers.
