## This charity Bike Tour can help many children!

**You will be amazed at how easy it is to recruit sponsors and get them to support you in the Bike Tour/Relay to support Kiwanis Doernbecher Children's Cancer Program.**

**Ask everyone you know and urge them to make a donation that can be collected Prior to the Bike Ride and turned in on the day of the ride.**

## Year 2010 GOALS

- To raise \$25,000 for the Kiwanis Children's Cancer Fellowship Program at Doernbecher to train young pediatricians as the children's cancer specialists of tomorrow. These young physicians are learning to develop and apply revolutionary gene-based therapies that will forever change how children in the Pacific Northwest and beyond are treated for cancer.
- To involve all of our communities in the Children's Cancer Program.

## Why should you ride?

- To help the children!
- To increase awareness of children's cancer.
- To raise funds that are vital to the Kiwanis Doernbecher Children's Cancer Program.
- To Save Lives!
